A Note from our Director

Numerous individuals and organizations partner with Margaret Mary Health Foundation year after year by sponsoring one or more of our special events. These events educate, provide important outreach services, and create awareness of the exceptional care provided at Margaret Mary Health. In addition, they raise funds which enable us to provide grants for programs, services, technology and initiatives at Margaret Mary Health. We hope you will consider joining us in this important work which helps to improve the health of all families in our communities.
