

THE DAISY AWARD NOMINATION

Honoring Extraordinary Nurses

At Margaret Mary Health, our goal is to create a culture where we positively impact every human experience within our walls. This means how we act, how we communicate and how we do our jobs should have a positive impact on every single person we meet - whether it's a patient, another team member, or a provider.

Our team members exemplify this experience each day and we're committed to recognizing and celebrating the amazing work they do. Please help us acknowledge their hard work, dedication and person-centered care by nominating your nurse for The DAISY Award.

The DAISY (Diseases Attacking the Immune SYstem) Award was established by the DAISY Foundation in memory of J. Patrick Barnes, who died at the age of 33 of ITP, an auto-immune disease. The Barnes Family was awestruck by the clinical skills, caring and compassion of the nurses who cared for Patrick, so they created this national award to say thank you to nurses everywhere.

DAISY Award Criteria

- Passion for nursing and their patients is evident in the care they provide each day
- Puts the patient first in all encounters and consistently contributes to delivery of world-class patient care
- Collaborates with others across all areas to provide excellent patient care and service delivery while keeping the patient at the center
- Shares and provides relevant, timely and accurate information, and communicates with clarity and courtesy
- Fosters an environment which encourages respect, integrity, fairness and diversity
- Recognizes others for their contributions to Margaret Mary Health
