Substance Use Testing Services

Margaret Mary Health offers both regulated and non-regulated substance use testing at our main campus located at 1155 State Route 229 North. Service hours are Monday–Friday from 7 a.m. to 5 p.m. Patients should check in at the radiology/lab registration desk for the following tests:

- **Breath alcohol testing -** available in our cardiopulmonary department
- **Urine drug screening** (collection only) - available in our hospital lab

What to bring

Patients should bring the following items:

- Chain of Custody form
- Authorization for Services form
- Drivers license/Photo ID

Results

Breath alcohol testing results will be faxed to the designated employer representative as indicated on the Authorization for Services form.

Urine drug screening results must be obtained through your designated Medical Review Officer. MMH will not process or report out any urine drug screening testing.

If you are not set up with a Medical Review Officer, we recommend the below options. Results will be available through their portals.

- **E-Screen** - Call 800.881.0722 or visit escreen.com
- **Robert Young, National Medical Review Officer** – Email r.young@nationalmro.com or call 346.437.8524
