

COVID TESTING SITES

MMH offers COVID testing in our lab at the main campus. **If you have COVID-19 symptoms and are a patient of MMH, we recommend you receive testing at our lab to ensure your healthcare provider receives your results.** A doctor's order is required. If appropriate, patients may also be tested during their regularly scheduled visits at the following locations: Brookville Minor Care, Osgood Minor Care, Health Center at Milan, the Physician Center and the Medical Arts Center.
