The Margaret Mary Health Foundation was established in 2012 as a way of engaging those we serve as **partners** in health improvement. The Foundation encourages gifts of support from individuals and organizations which enable us to **enhance** hospital programs and initiatives. These gifts make it possible for the hospital's **legacy** of quality, compassionate care to continue for future generations.

did you know?

Thanks to our generous donors, the Margaret Mary Health Foundation has been able to provide more than \$750,000 in funding to the hospital. Your support makes a difference!

Girls on the Run is designed to inspire girls to be joyful, healthy and confident using an experience-based curriculum which creatively integrates running.

Since Margaret Mary's Girls on the Run program began, we have served more than 6,000 young ladies in grades three through five from Ripley, Decatur and Franklin counties.

girls on the run 5k

Spring 5K: May 15 - Liberty Park | Fall 5K: November 20 - Knights of Columbus

During the month of October, Margaret Mary Health invites you to join us in 'PAINTING THE TOWN PINK!' Help us create awareness, celebrate survivors, support those fighting and remember those we've lost to breast cancer by decorating your home or business in pink all month long! Additionally, educational videos, pink speed bumps, banners and signage throughout our communities will remind women to 'check their bumps' and schedule a mammogram.

paint the town pink
